

NO FEAR - an exclusive offer from Kunes Country

One of the reasons customers should buy from Kunes Country is our exclusive NO FEAR offer - their drive train will be covered. EVERY qualified vehicle gets our NO FEAR guarantee. Here's how it works:

FOR ALL CARS

- ~ At Delivery, EVERY customer should sign a NO FEAR contract and receive a Warranty Log Book. The contract details the specific coverage.
- ~ The Warranty is valid as specified as long as the customer performs all scheduled maintenance at a Kunes Country location.

WHY WE DO THIS: We stand behind our vehicles and our service departments. If we're taking care of the vehicle per the manufacturer's specs, we will warranty the drive train!

NEW CARS

- ~ Warranty lasts as long as the customer owns this vehicle. (Warranty does not transfer to second owner)
- ~ Though the manufacturer warranty generally covers the drive train, No Fear will survive long after manufacturer - as long as all service is at Kunes Country.

USED CARS

- ~ Warranty is for 12 months or 12,000 miles, whichever comes first.
- ~ Qualifying units are:
8 years old or newer and have 100,000 miles or less

Common Questions & Confusions

- ~ ALL customers with qualifying units receive No Fear... regardless of remaining manufacturer warranty or customer credit.
- ~ No Fear CANNOT be negotiated out of the deal... there is no cash value, and all deals with qualifying units receive the warranty.
- ~ Special Finance Customers QUALIFY... customer information doesn't matter, it's the vehicle that needs to qualify.
