PRINT SETTINGS FOR CHROME
to print perfectly from of VinSolutions

VinSolutions works best with Chrome... using Internet Explorer causes some havoc. BUT - to print forms & letters, you need to adjust a print setting....
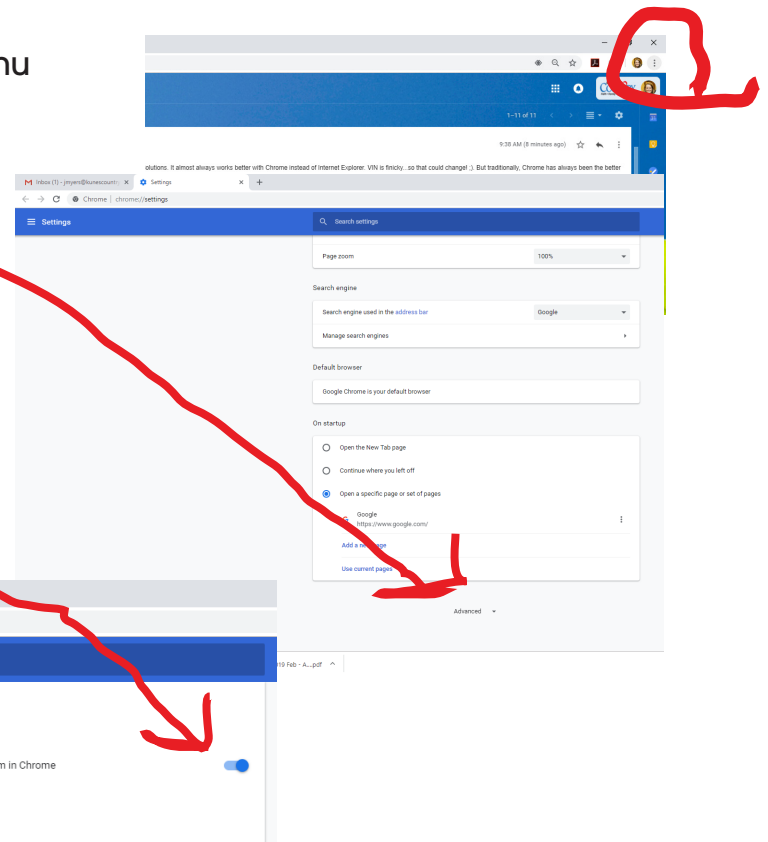

1 - in Chrome, go to SETTINGS in the drop down menu under the three dots in the upper right corner

2 - Scroll all the way down to ADVANCED

3 - Scroll Down to CONTENT SETTINGS

4 - Scroll Down to PDF DOCUMENTS

5 - Click ON the button that reads Download PDF files instead of opening them in Chrome.

FORMS WILL NOW DOWNLOAD & YOU'LL SEE THEM AT THE BOTTOM LEFT OF YOUR SCREEN ... YOU'LL NEED TO OPEN IN ACROBAT & THEY'LL PRINT PERFECTLY!
